

Nitron shock absorber for Ninja1000/Z1000SX ('17-) debuts

Nitron Japan is pleased to announce that the development of the Nitron shock absorber for the latest KAWASAKI sport tourer model Ninja1000/Z1000SX ('17-) has been completed and it's now on sale. Riders can select from R3 Series, R2 Series, or R1 Series according to the needs. All series equip HPA (Hydraulic preload adjuster) as standard. R3 and R2 series come with the dedicated bracket as standard. For the selection of the spring color in addition to the conventional turquoise spring a new titanium black spring is now available.
